

All meals and trips are paid for using ParentPay. When your child joins us you will be given logins and instructions from our Administrators.

The banner features the ParentPay logo on the left with the tagline 'COUNT ON US'. To the right are navigation links: 'Who we help', 'About', 'Resources', 'For Parents', and 'School Login'. The main heading is 'Totally Cashless Income Collection' with a sub-heading 'Collect payments for meals, clubs, trips, uniform and more.' Below this is an image of a tablet displaying the ParentPay interface. To the right of the tablet, the text reads 'Collect & manage payments for meals, clubs, trips and more - all from one place.' and 'Transform your money management with the most secure'.

School Lunch Ordering

If you go onto Parentpay the menu will come up for you. You just need to click on the choices for the week.

If your child has a special diet menu which has been agreed with MCC Catering, you will just need to click the Special Diet box. You should all have received your menu to check the choices. Our catering staff will know which individual menu your child is ordering from. It will come up against their name.

Online orders close at 12pm every night and the list of meals will be sent to us then to print out every day. **You can order at any point during the week** but I would suggest trying to order on a Sunday for the week ahead to make it easier for you when you can.

Office staff will print your orders out by 9am **every** morning and if someone hasn't ordered we will check with them if they need lunch or have a packed lunch with them. No-one will ever go without lunch!

If you forget to order, please just ring the office and leave a voicemail. We will listen to these every morning.

Don't panic if it doesn't work for you. We will not let anyone go without their meal.
